

STATEMENT OF INTENDED MULTIPLE JOURNEYS TO NEW ZEALAND

Re: Statement of Intended Multiple Journeys to New Zealand

1. Purpose

This statement explains my intention to make multiple journeys to New Zealand over the next three years (2026–2028) as supporting evidence for my multiple-entry visitor visa application.

2. Applicant Information

Full Name: [APPLICANT_NAME]

Passport Number: [PASSPORT_NUMBER]

Nationality: People's Republic of China

National ID No.: [NATIONAL_ID_NUMBER]

Contact: [PHONE_NUMBER] | [EMAIL_ADDRESS]

3. Reasons for Multiple Visits

3.1 Distinct North Island & South Island Experiences New Zealand's two islands offer dramatically different landscapes. The North Island features volcanic plateaus, geothermal areas, and rich Maori cultural heritage (Auckland, Rotorua, Wellington), while the South Island is celebrated for its Southern Alps, glaciers, fjords, and pristine wilderness (Queenstown, Milford Sound, Christchurch). Multiple trips allow thorough and relaxed exploration of each region.

3.2 Seasonal Travel Plans

Rather than rushing through many attractions in a single trip, I prefer unhurried journeys that allow for deeper cultural immersion and genuine rest. Multiple shorter trips are far more enjoyable and meaningful than a single rushed visit.

3.3 Proven International Travel Experience

I have previously traveled to Italy, Switzerland, Singapore, South Korea, Egypt, Indonesia, and Thailand. These experiences demonstrate my understanding of international travel, visa compliance, and cultural awareness.

4. Financial Resources

I am fully financially capable of supporting all travel expenses for multiple visits to New Zealand:

- **Real Estate Holdings:** Full ownership of residential property in China, demonstrating long-term financial commitment and strong ties to my home country.
- **Stable Employment:** [JOB_TITLE] at [EMPLOYER_NAME], with stable income and long-term career prospects.
- **Bank Statements:** Consistently sufficient balance in my personal accounts (see attached bank statements).

5. Strong Ties to Home Country

- Full-time employment at a leading Chinese technology company
- Ownership of residential property in Shenzhen
- Extensive family and social connections in China

- No intention to overstay or settle in New Zealand

6. Planned Visits

Please refer to the attached "Multiple Journey Plan" document for detailed itinerary of my planned trips over the next three years.

7. Declaration

I, [APPLICANT_NAME], holder of Passport No. [PASSPORT_NUMBER], hereby declare that all information provided in this statement is true, accurate, and complete. I fully understand the conditions of a multiple-entry visa and commit to complying with all New Zealand immigration laws. I undertake to depart New Zealand before the expiry of each authorized stay and maintain sufficient financial resources for each visit.

Sincerely,

[APPLICANT_NAME]
